Three Words to Describe You \_\_\_\_\_

We won't have much time to practice on stage this year so please be practicing your talent and be ready to practice on stage when we can get the auditorium!

I need your name and phone number ASAP so I will know how many we have for Queen Flora and what you are planning on doing for talent so we can make sure the order you go in is good for our sound man!

You're competing in interview, personal style, talent and evening gown! Text us pictures when you go shopping! We love to help!
