On May 27, 2015 I, Chief Walker of the Grantsville Police Department in Calhoun County West Virginia was contacted by dispatch and advised that there was an altercation at 817 Lower pine St. Grantsville, WV. Upon my arrival I was met by Shirley M. Bell who lives at the resident. I asked Mrs. Bell what had happened and she stated that Timisha Chandler pulled a knife on Corey M. Bell. I, asked Mrs. Bell where was Miss. Chandler and Mr. Bell she stated "she didn't know". I, asked are they in the house she stated "no". After a short time we located Mrs. Chandler at 406 Calhoun St. Grantsville, WV (see pictures). I processed the scene for evidence, while doing that I observed blood at the top of the steps as well as down the hall and in the bathroom. While in the bathroom I observed blood in the bathtub that appeared to be someone cleaning up. I, also observed a paper towel in the trashcan where someone cleaned up. After leaving the upstairs and going downstairs I observed blood drops going down the steps and heading to the back or side door of the house. While processing this scene I observed 2 large puddles of blood with glass and a broken box fan. I, then asked Mrs. Bell what happened again and she stated Miss. Chandler pushed his head in to the wall and then Miss. Chandler pulled a knife on him Mr. Bell admitted to making physical contact with Miss. Chandler by what he called "self-defense." Mrs. Bell stated she picked up the chair and went to hit them with it so they would stop fighting and she hit the light and maybe them. I, asked Mrs. Bell where is Mr. Bell and she stated she didn't know I, asked if he was in the house she stated "no". After talking with Mrs. Bell she advised me that Mr. Bell was in the house. I, Mrs. Bell and Dave Johnson went in the home and Mrs. Bell yelled out to him to come out. Mr. Bell was in the attic of the home. After Mr. Bell came out I, asked him what happened and she stated he didn't remember but he stated Miss. Chandler pulled a knife on him and I defended myself. While talking to Mr. Bell I observed Mr. Bell had blood on his t-shirt and didn't have any defensive wounds on his hands or on his person Mr. Bell t-shirt was taken for evidence. Mr. Bell did have a small bump on his head and was asked if he want to go to the hospital and he stated "no". I, asked Mr. Bell if he had been drinking and he stated "yes". I asked the defendant to submit to a PBT. He agreed and blew into the PBT. The subsequent reading was 0.178 BRAC. Mr. Bell told us that he fought back and defended himself. While talking with Mrs. Bell I, also observed blood on Mrs. Bell's t-shirt as well it was also taken for evidence. I, then spoke with Miss. Chandler and she stated she didn't know what happened to her she didn't see who hit her. After looking at the wounds on Miss. Chandler it doesn't look like self-defense. Miss. Chandler had mutable different head

wounds, two black eyes of Miss. Chandler was unable to open her eyes do to swelling. Miss. Chandler had a cut above her left eye also well as under her left eye. Mrs. Chandler had about 3 cut about 1in to 2in in length on her back as well a fat lip. Miss. Chandler also had all together 11 punctures and 32 stiches. If Mr. Bell and Mrs. Bell intent was to disfigure they could have stopped with just one hit if they was defending themselves. No one in the house stop what was happing to help Mrs. Chandler. There was also a 17 boy in the resident.
