

Back to School Childhood Immunization

Call now to schedule an appointment

Due to the COVID 19 pandemic, appointments are being spaced out to meet social distancing recommendations. No walk-ins will be accepted due to COVID-19 restrictions.

Reminders for scheduling your appointment:

- 1. Please provide all insurance information (if applicable) at the time you are scheduling the appointment.**
 - This allows us time to verify insurance and receive authorization from your insurance company prior to your appointment
- 2. Obtain a copy of your child's immunization records prior to the scheduling of your child's appointment.**
- 3. Wear a cloth face covering to the appointment, they are required to be worn in our buildings currently.**
 - If you do not have a cloth face covering, one will be provided to you.

Call early to schedule your child's appointment:
